Ashley Action!

Y12 visited Veolia Recycling Education Centre at Gillmoss, Liverpool. Students learnt about the importance of recycling and watched recyclable items being sorted. This links to the Environmental Asdan course which they are working on.

8FL visited Fiddler's Ferry Power Station. Visits here can help young people understand energy, how it's produced and distributed and how to use it wisely.

Year 11 students experienced a taster day at our own 6th Form. Students were able to see what was on offer to them and what they would like to pick as their options.

It's Fairtrade Fortnight! From 26 February to 11 March join us in supporting the farmers and workers who grow our food. With Fairtrade we have the power to change the world every day. A selection of items including drinks, chocolate bars and craft items will be on sale in room 1 at break time every day. Items start at 40p and go up to £3.00 for craft items. All monies raised will go to Fairtrade.

And Finally...

Don't forget to look at the school's Website and Twitter page to keep up to date with everything happening at Ashley High School
